OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE,

Bangalore 15th June *1912*

From

The *Inspector General of Education in Mysore*

To

T R Srinivasa Iyengar Esq M A
Offg Secretary to the Government of His Highness
the Maharaja of Mysore General & Revenue Departments

SIR

I have the honour to invite attention to Government Order No 8676-8/Edn 334-10 dated 17th May 1912 sanctioning the opening of an English class in the Normal School Mysore Among the recurring charges provision is made for 30 stipends of Rs 5 each per month for students who have to undergo the training I beg to point out that while this may be considered adequate for new students seeking admission it will be far from being fair to the school masters in service who may be selected to undergo the training The object of the new class being to turn out more efficient teachers than are ordinarily available it may be at least as much in the interest of the efficiency of the Department as to the advantage of the masters themselves that as many of them as possible should be made to undergo the training The advantage to the master is the less obvious as it is clearly laid down that the training does not entitle one to any promotion by the mere fact of the training

In the circumstances I recommend that the masters selected for training may be given their salary during training and travelling allowances to and fro under the ordinary rules and provide for each such absentee Rs 10 for appointing an acting incumbent as it would be impossible to get acting English masters for anything

less

2

less than Rs 10/- This is in principle what is done in regard to forest officials selected for training under the newly published rules of the Madras Government for admission into the College of Forestry at Coimbatore (Page 588, Fort St George Gazette dated 11th June 1912)

This would abviate the necessity for modifying the Government Order which might be left as it is in regard to the stipends The number of Government teachers admitted will be intimated to the Comptroller as soon as the selections are finally made, but provision for 20 such acting appointments may however, be made and the required amount of Rs 100/- over and above what is already provided ordered to be included in the forthcoming budget

I have the honour to be

Sir,

Your most obedient servant,

Assistant to the Inspector General

of Education,

For Inspector General
